Re: Appreciation from Community Center

It is with the greatest pleasure that this letter is written to your good company. Sincere gratitude goes out from the community center in regard to the donation of stationeries the center benefited from. The donation which was initiated by a US Peace Corp. Volunteer Ms. Jennifer Jackson intended for 6 schools and the community center has been received with open arms & delight.

Thank you once again

Respectfully,

A handwritten signature in black ink, appearing to read 'Helena Endjala', written over a horizontal line.
