Dear Plus Corporation,

My name is Jennifer Jackson and I am the United States Peace Corps Volunteer in the village of Omuthiya. I am writing this letter on behalf of the schools, principals, teachers and students of the town of Omuthiya in Namibia.

On 1 August 2006, we received your generous donation of school supplies from your company. We are very thankful for the 30 boxes filled with school supplies. I, along with the Omuthiya Development Centre distributed the supplies to 6 primary and secondary schools as well as the local kindergartens in the town of Omuthiya. Your donation has reached over 1100 children in the town of Omuthiya. We cannot thank you enough for kind donation to our rural schools.

Below are listed the schools which received your donations and the number of children in each school.

- Amweelo Primary School – Grades 1 –7, over 600 students
- Ondankuzi Primary School – Grades 1-7, over 700 students
- Omuthiya Iipundi Junior Secondary School – Grades 8-10, over 300 students

- Okanagorosa Combined School – Grades 1-10, over 800 students
- Omuthiya Development Center – Adult Education / Youth Education
